Liberating Our Data.

New Release of iManage BI and iPortal!

The iManage Program is pleased to announce the new release of iManage Business Intelligence (BI) and iPortal today! In the new BI Release, the iManage Program is focused on improving standard reports and dashboards to provide better analytical reporting and ease of use. Through the new iPortal release, iManage is providing people profiles, new reporting features and soon to come instant messaging!

Business Intelligence (BI)

- DOE Dashboard Updates (Redesigned QTR Execution Review)
- iManage Reporting Updates (New charts, graphs and STARS reporting)
- New Data Available for BI Answers Ad-hoc Report Writing

iPortal Features

- People Profiles (Introducing iPages)
- Instant Messaging (Coming soon!)

For more information on the new features of Business Intelligence and iPortal, please view the "What's New" article on iPortal at <https://iportal.doe.gov>.

Brought to you by iManage...
