SUBJECT: Contract Number DE-AM01-01FM10055, Modification M003

Procurement Requests (PR) Number 01-03FM1005.501 was received in the Office of Headquarters Procurement Services on February 5, 2003. The PR requests that the GSA contract number GS-23F-9752H be changed to GS-23F-9734H and the price per transaction, commercial process be waived and the \$200 fee no longer billed. The contract number change is due to the acquisition of Citicapital Relocation by Prudential Relocation. GSA negotiated the contract change. The change in the contract also resulted in the deletion of the processing fee under contract line item 3. However, the contract imposes an international processing fee and moves within regulated states of \$450.00.
